TRIBUTE TO KEITH HARING

Keith Haring®

You are going to be making your own Keith Haring design.

Use the ideas from this presentation to help you.

First, practise drawing some of the figures like Keith Haring did. You could try a person, a dog or simply a heart.

Now think about what you could use as a 'theme' for your image. This will help you think about your overall image. What will it be about?

You could choose an idea from the list below or choose your own.

family

football

dance

music

pets

love

friends

art

numbers

computers

birthdays

games

sport

phones

books
