

**BOOKING NOW** Create Club  
'ART of Science' for SUMMER TERM 2024  
Wednesdays for Years 1 to 6 Time 15:15 –  
16:15

Each week the children will explore a different topic and have the opportunity to use their imagination and creativity to produce creative art and craft work. These will include; creating your own illusion; crafting flying objects, volcanic

eruptions and lots more.

Early booking is recommended to ensure a place, as there are only 15 spaces available. The cost includes all the materials and kit required for the sessions, and the children take home their works of art! We also provide washable overalls to protect your child's school uniform – we do the laundry for these!

**TO BOOK PLEASE EMAIL ME DIRECTLY [suegallagher@thecreationstation.co.uk](mailto:suegallagher@thecreationstation.co.uk)**

**If there is space you will then be asked to complete the short registration form and complete payment after which your place will be confirmed.**

Sessions will run from Wednesday 24<sup>th</sup> April to 3<sup>rd</sup> July 2024. The cost is £100 (no session during half term).
