

# Childhood Memory Box– Knowledge Organiser

Toys have changed over time.

There are many differences between toys from the past and present, including what they are made out of and how they are made. There are now strict rules in place to make sure toys are very safe to play with and to ensure children of a correct age are playing with them.

Teddy bears have been around more than 100 years, they are made differently today and they look and feel

LEGO and Barbie are some of the most popular and best-selling toys of all time.
