

AS WISE AS CAN POSSIBLY BE

Three Wise Men

- 1 Who would believe?
We've never seen
Anything quite like this before.
Look at the star,
See how it dazzles,
Leading us to a child that is born.

All

- CHORUS** *Wise men, wise men,
Three wise men are we,
Wise men, wise men,
As wise, as wise, as wise as can possibly be!*

- 2 Who would suppose
We'd follow our nose
Across the desert to Bethlehem?
Look at the star,
See how it dazzles,
Leading us to the Saviour of all.

CHORUS

- 3 Who would have thought
We would have brought
Frankincense, myrrh and gold?
Look at the star,
See how it dazzles,
Leading us to the King of the world.
