

WHEN YOU'RE A STAR

All

CHORUS *Look how she twinkles, look how she dazzles,
It's easy when you're a star,
Look how she sparkles,
Look how she glitters and shines.*

Backing group

Lighting the way.

All

*Look how she twinkles, look how she dazzles,
It's easy when you're a star,
And everybody wants to see the Star of Bethlehem shine.*

CHORUS

Star solo

I love a bit of glamour,
I love a bit of bling,
To see my name in lights,
It makes me want to sing.
I love a bit of glitz,
I love a bit of jazz,
I love to light the way
With my razzmatazz!

LAST CHORUS

All

*Look how she twinkles, look how she dazzles,
It's easy when you're a star,
Look how she sparkles,
Look how she glitters and shines.*

Backing group

Lighting the way.

All

*Look how she twinkles, look how she dazzles,
It's easy when you're a star,
And everybody wants to see the Star of Bethlehem shine.*

Star solo (spoken)

You know it's true.

All

Everybody wants to see the Star of Bethlehem shine.

Star solo (spoken)

The pleasure's mine.

All

Everybody wants to see the Star of Bethlehem shine.
