

Become a School Governor

Make a Difference in Your Community

*Building on High
Expectations*

Are you passionate about education and helping young people succeed? The Stoke Poges School is looking for committed, enthusiastic individuals to join the School's governing board as a Co-opted School Governor.

About the Role

School governors play a vital role in shaping the future of our School. Working alongside the Headteacher and Senior Leadership Team, you will help set the strategic direction, ensure accountability and support continuous improvement for all pupils at our School.

You don't need to be an education expert. We are currently looking for someone with finance, budgeting or business skills; although we welcome people from all walks of life and backgrounds to get in touch.

What you will gain:

- **The opportunity to make a real impact in your community**
- **Valuable experience in leadership and governance**
- **Free training and support in your role**
- **The chance to develop new skills and networks**

Interested?

Join us in helping every child at The Stoke Poges School reach their full potential. **To find out more, please contact the Chair of Governors via office@stokepoges.school**

We follow a safer recruitment protocol and all governors are subject to a DBS check.

Your skills could help shape a brighter future!
