Recommended Review Period	Biannual
Date of Next Review	September 2028
Person Responsible for the Policy	Headteacher
Designated Senior Leader for Attendance	Mrs Amanda Benians

1. Aims

This policy aims to show our commitment to meeting our obligations concerning school attendance, including those laid out in the statutory guidance on [Working together to improve school attendance](#) from the Department for Education (DfE). We aim to achieve this through our whole-school culture and ethos that values good attendance, which includes:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school
- We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

Part 6 of the [Education Act 1996](#)

Part 3 of the [Education Act 2002](#)

Part 7 of the [Education and Inspections Act 2006](#)

[The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)

[The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

The [Equality Act 2010](#)

It also refers to:

[School census guidance](#)

[Keeping Children Safe in Education](#)

[Mental health issues affecting a pupil's attendance: guidance for schools](#)

3.7 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to Mrs Palmer, where appropriate, to provide them with more detailed support on attendance
- Keep accurate and up-to-date records of calls and communication with parents

3.8 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Contact the school to report their child's absence before 9 am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting Mrs Amanda Benians, who can be contacted via the school office

3.9 Pupils

Pupils are expected to:

- Attend school every day, on time

4. School processes for recording attendance and absence

4.1 Attendance register

We will keep an electronic attendance register and place all pupils on this register.

We will take our attendance register at the start of each morning session of the school day and once during each afternoon session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending a place other than school
- Absent
- Absent – unable to attend due to unavoidable causes

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The register for the morning session will be taken at 8.50 am and will be kept open until 9.20 am. The register for the afternoon session will be taken at 1 pm (Reception and Key Stage 1) and 1.15 pm for Key Stage 2 and will be kept open until 1.25 pm.

4.2 Unplanned Absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9 am, or as soon as practically possible, via the School Gateway App, the school number on 01753 643319, selecting option 1 'to report an absent child', or by emailing attendance@stokepoges.school. If it is not possible to use either of these methods, parents should email office@stokepoges.school with reasons for non-attendance.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents should request leave of absence for medical appointments by notifying the school office via the School Gateway App or via email in advance of the appointment. A copy of the hospital letter or

appointment card should be presented to the school office, where possible. We encourage parents/carers to make medical and dental appointments out of school hours. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Where possible, the pupil should:

- Be out of school for the minimum amount of time necessary, and attend school before/after their appointment
- Wear school uniform to the appointment, to make it easier to return to school afterwards

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. See section 5 to find out about term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

On arrival after the register has closed, pupils must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school. An appropriate adult must sign them in.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

The absence will be recorded as **unauthorised** if the pupil has arrived late after the registers close without justifiable cause, for example, if they woke up late or were waiting for their uniform to dry.

The designated senior leader for absence will ensure that lateness is analysed and followed up, in the first instance with a phone call or, when a pattern is emerging, to offer support to the parent.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact the police or a social worker, if applicable
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, the school will contact the local authority for assistance on next steps

4.6 Reporting to parents

The school will regularly inform parents about their child's attendance and absence via termly absence reports.

Teachers will also discuss the importance of regular attendance with parents, where necessary.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview for admission to another educational institution
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for. Parents do not have an automatic right to remove their child from school during term time and are strongly advised not to do so.

We define 'exceptional circumstances' as rare, significant, unavoidable and short. By 'unavoidable', it implies that an event could not reasonably be scheduled at another time.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purpose of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted on the Leave of Absence form as soon as it is anticipated and, where possible, at least four weeks before the absence. The headteacher may require evidence to support any request for leave of absence.

All requests for leave of absence will receive a written response. Where a request has been granted, the letter should state:

- The expected date of return
- That parents will contact the school should any delays occur

5.2 Other reasons for authorised absence

Other valid reasons for authorised absence include (but are not limited to):

- Illness (including mental-health issues) and medical/appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart for religious observance. Pupils should attend school on the days surrounding those set apart for religious observance.
- Parent(s) travelling for occupational purposes – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances, a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place.
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

5.3 Absences from the school site (which are not classified as absences)

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings. These are not classified as absences. Reasons include (but are not limited to):

- Attending an off-site approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)

- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

6. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing lessons and days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance.

Examples of our school's strategies for rewarding, incentivising and improving attendance include:

- Individual praise
- Certificates
- Celebrating good attendance in assemblies and on displays around school

7. Supporting pupils with poor attendance

Our school will make use of the full range of support and potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

7.1 Attendance contract

We use attendance contracts as a form of attendance support.

An attendance contract is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree to an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parent (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

7.2 Education supervision order

In cases where voluntary early help plans and attendance contracts have been unsuccessful, we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting.

An education supervision order is a formal intervention but not a criminal prosecution.

An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine of up to £1,000 upon conviction.

7.3 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support. A notice to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

It will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued, or prosecution considered, if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

7.4 Penalty notices

The headteacher (or a deputy or assistant headteacher, authorised by the headteacher), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

The local authority will issue any penalty notice on behalf of the school, where necessary.

Before issuing a penalty notice, the school and local authority will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process. In these cases, the parent must pay £60 within 21 days, or £120.

8. Supporting pupils who are absent or returning to school

The school recognises that absence can be a symptom of a range of underlying barriers and that every pupil's circumstances are different. In line with the DfE's *Working together to improve school attendance* guidance, we take a support-first, child-centred approach, seeking to understand the reasons for absence and working collaboratively with pupils, parents and relevant professionals to identify and remove barriers to regular attendance. Barriers may include complex family circumstances, mental or physical ill health, SEND, anxiety, disadvantage or other difficulties, which make attending school challenging. Staff monitor attendance and patterns of absence carefully so that concerns are identified early, with appropriate support put in place before absence becomes entrenched. Where appropriate, the school will work with the family and external agencies, including the local authority and health or other specialist services, where this is needed to address barriers beyond the school's direct control.

Where a pupil is absent or is finding it difficult to return, we provide a welcoming, sensitive and consistent response. This may include a named trusted adult, regular check-ins, support from our ELSA, adjustments to routines or the school environment, support with transitions and a planned and individualised return to school where appropriate. We recognise that a successful return may need to be gradual and that the right approach will depend on the individual child and the reason for their absence. We maintain communication with parents and review the effectiveness of support regularly, adapting provision as the pupil's needs change. We aim to ensure that pupils feel safe, understood and connected to school while working positively with families to restore regular attendance as soon as it is appropriate and achievable. This reflects the DfE guidance which emphasises early identification of barriers, strong relationships with families and tailored support for pupils whose mental health or other needs are affecting attendance.

Parents should consult the NHS guidance, [Is my child too ill for school?](#) when deciding whether to keep their child home due to illness. We will share this guidance with parents, and provide support in understanding it, in order to promote school attendance wherever appropriate.

Where a pupil has an education, health and care (EHC) plan and their attendance drops, the school will inform the local authority.

8.1 Prolonged absence for children in EYFS

In cases of prolonged absence, or when a child is absent without notification, we will attempt to contact the child's parents and alternative emergency contacts.

When deciding whether a child's absence should be considered prolonged, we will consider the following:

- Patterns and trends in the child's absences and their personal circumstances
- Vulnerability of the child and their parents, as well as the circumstances of their home life

We will also implement our safeguarding procedures (see our child protection and safeguarding policy, available on our website) and refer any concerns to local children's social care and/or request a police welfare check.

9. Attendance monitoring

9.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

9.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

9.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils we have identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 9.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinator, designated safeguarding leads and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

9.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils whom the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen and understand barriers to attendance
 - Explain the available help
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 7 above)

10. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum biannually by Liz Astley (Headteacher). At every review, the policy will be approved by the full governing board.

11. Links with other policies
